Instant Ticket Players Claimed More Than \$4.8 Million in Top-tier Prizes in September

TRENTON, N.J. – (Oct. 10, 2014) – September was a ‘spectacular’ month for New Jersey Lottery instant game players as more than \$4.8 million in top-tier annuity prizes were claimed. Topping the list were three million dollar tickets claimed from the Spectacular family of games: \$150 Million Cash Spectacular, \$100,000,000 Spectacular, and Diamond Spectacular.

Dawn S. from Norwood in Bergen County was the top-prize winner of the \$100,000,000 Spectacular game. She said that she is thrilled to be able to pay for her niece’s college education with the big win. As for herself, the credit card bills will be paid and when her car lease comes up she’s going to buy her Honda outright. The rest, “I will invest for my future.” Dawn’s lucky retailer is Harrington News, 32 Elm St. in Harrington Park.

The chart on the following pages list the instant games sold and the lucky retailers who sold the top-tier prizes valued at \$10,000 and above, in September. Congratulations to all of the lucky players and the retailers who sold them.

ABOUT THE NEW JERSEY LOTTERY

New Jersey residents benefit from Lottery funds generated by ticket sales. Lottery revenue supports educational programs, grants and institutions across the State. Since its inception in 1970, the New Jersey Lottery (NJLottery.com) has contributed more than \$22 billion to the State in support of education and institutions. Among its beneficiaries are: veterans homes, community and other colleges and universities, school nutrition programs, homes for the developmentally disabled, psychiatric hospitals, higher education scholarship programs and the Marie Katzenbach School for the Deaf.
